Quebecs is famous across the country for its fine traditional breakfasts, cooked to personal order using only the freshest ingredients from top quality suppliers in Yorkshire, including Sykes House Farm for our sausages and bacon and T. E. Bethell, our fishmonger in Leeds Market.

Taylor's of Harrogate, the world renowned family business established in 1886, supply our selection of fine teas.

For the coffee cognoscenti, we have a choice of Ristretto, Lungo & Lungo Decaffeinated Nespresso coffees served to order or your own cafetière if you prefer.

Each breakfast is cooked to your order, and should arrive with you within 10 – 15 minutes.

We look forward to being of service, Good Morning!
